

## **Press Release**

For Immediate Release

Sabino Creek signs with TTW to represent and implement WINMan in the West.

December 1, 2005 - Scottsdale, AZ. Sabino Creek Software Incorporated of Scottsdale Arizona and TTW Incorporated of Leesburg Virginia have reached an agreement where Sabino Creek will represent and implement their flag ship ERP product "WinMan" in the western United States.

About TTW Incorporated: TTW was formed in the early 90's specifically to develop a feature rich, affordable Windows ERP system for small to midsize manufacturing and distribution companies. WinMan is the flagship product of software development specialists TTW.

TTW's success is a product of the vast industrial experience of its designers and the forward thinking of their information system professionals. Together they ensure that WinMan customers continue to benefit from a leading edge, robust and flexible system. TTW has corporate facilities in the south east of England and the east coast of the United States together with support and training facilities across the United Kingdom and the United States.

TTW Incorporated facilities are located at 803 SE Sycolin Road Suite 245 Leesburg, VA 20175. For more information please call 571-258-0626 or email at [sales@winman.com](mailto:sales@winman.com).

About Sabino Creek Software, Inc.: Sabino Creek Software, Inc., is headquartered in Scottsdale, AZ, and is a Consulting and Software developer. Sabino Creek provides its clients with ERP software and related services including, consulting, implementation, training, customization, integration and systems selection.
